ANEELA UMRANI

Architecture Student

Hyderabad, Sindh, Pakistan | aneelaumrani58@gmail.com | +92 312 1339804

PROFESSIONAL SUMMARY

Final-year Bachelor of Architecture (B.Arch) student at Mehran University of Engineering and Technology with hands-on internship experience in architectural detailing, 2D planning, and rendering. Skilled in AutoCAD, SketchUp, Adobe Photoshop, V-Ray, and Enscape, with a strong focus on developing functional, efficient, and user-oriented plans that respond to project requirements and site context.

WORK EXPERIENCE

Internee Architecture Student
MR Associates, Hyderabad **December 2023 – January 2024**

- Worked on 2D detail drawings for a kitchen project, developing precise technical layouts and construction details.
- Prepared 2D detailing for a garage project, translating design concepts into accurate working drawings.
- Produced detailed 2D plans for public lavatories, ensuring designs met functional and spatial requirements.
- Coordinated with the design team to refine layouts and ensure drawings aligned with project specifications.

Internee Architecture Student
TDI Design Build International Firm **July 2025 – September 2025**

- Learned and applied detailed plan rendering techniques using Adobe Photoshop to enhance visual presentation of architectural drawings.
- Worked on 2D planning and layout development for multiple ongoing architectural projects.
- Gained hands-on experience producing rendered plans to effectively communicate design intent to clients and team members.

EDUCATION

Bachelor of Architecture (B.Arch) – Final Year
Mehran University of Engineering and Technology, Hyderabad **2021 – 2026**

SKILLS

- AutoCAD, SketchUp, 3ds Max
- Adobe Photoshop, V-Ray, Enscape
- 2D Planning & Detailing, Spatial Layout Design
- Architectural Rendering & Visualization
- Content Writing
- AI Prompt Engineering (Claude, Gemini, ChatGPT, Perplexity AI)

LANGUAGES

- English, Urdu, Sindhi
