WORK EXPERIENCE

2023 – 2026

- Designed high-quality social media posts, banners, posters, flyers, and promotional materials for clients across various industries.
- Created branding assets, including logos, business cards, brochures, and marketing collateral.
- Produced print-ready large-format designs such as flex banners, billboards, and event backdrops.
- Collaborated with clients to understand project requirements and deliver creative solutions that matched their brand identity.
- Edited and enhanced images using Adobe Photoshop, including photo retouching, background removal, color correction, and AI-assisted image manipulation.
- Developed eye-catching digital content for Facebook, Instagram, YouTube, and other social media platforms.
- Managed multiple design projects simultaneously while consistently meeting deadlines and maintaining high-quality standards.
- Utilized Adobe Photoshop, Adobe Illustrator, and CorelDRAW to create professional designs for both digital and print media.
