EXECUTIVE SUMMARY

Enthusiastic entry-level Graphic Designer with a growing foundation in Adobe Photoshop and strong cross-cultural communication skills. Focused on practicing and redesigning clean social media posts and commercial ads to build practical design skills. A fast learner who welcomes constructive feedback and is eager to support a creative marketing team while expanding skills in tools like Canva and Figma.

WORK EXPERIENCE

Personal Design Practice & Concept Redesigns
Independent Practice | 2026

- Recreated and redesigned six commercial ad graphics and social media posts using Adobe Photoshop to improve visual hierarchy and readability.
- Practiced image selection, layer compositing, lighting effects, and typography alignment for promotional visuals.
- Applied self-correction and feedback to continuously refine graphic elements and layout structure.
- All projects are documented and available on my Portfolio link above.
