Professional Summary

Creative Graphic Designer with professional experience across Pakistan and Dubai, delivering high-impact visual solutions for brands across digital and web platforms. Specialized in graphic design, website visuals, branding, and marketing creatives that strengthen brand identity and drive customer engagement. Known for combining creativity with business-focused design strategies to create modern, visually compelling content that delivers real results.

Experience

KONJAC SKINFOOD COSMETICS, DUBAI

GRAPHIC DESIGNER *Aug 2025 - Present*

- Revamped the complete visual identity of **Konjac Skin Food** by transforming a visually inactive website into a professional, engaging, and conversion-focused platform through high-quality graphic design.
- Designed and enhanced **100% of product visuals** with premium-quality graphics, improving product presentation and overall brand perception across digital platforms.
- Created marketing campaign designs and promotional creatives that strengthened brand visibility and supported customer engagement across online channels.
- Managed **all company graphic design operations**, including branding materials, social media creatives, advertisements, website banners, and digital assets.
- Developed modern website visuals and contributed to **UI/UX improvements**, helping create a cleaner, more user-friendly, and visually consistent customer experience.
- Produced engaging social media posts and branded content that maintained a professional brand image and increased audience interaction.
- Worked closely with management and marketing teams to ensure all designs aligned with company goals, brand identity, and current market trends.

BUKHARI GROUP FZE, DUBAI

GRAPHIC DESIGNER & MARKETING MANAGER *April 2025 – Aug 2025*

- Managed creative design and branding tasks for multiple business pages under Bukhari Group FZE, ensuring professional and visually consistent digital presence.
- Created high-quality graphics, promotional creatives, and social media content optimized with accurate sizes and aspect ratios for different platforms.
- Designed custom logos for various business pages, helping build strong and recognizable brand identities.
- Handled page visuals and branding elements to maintain modern, engaging, and professional presentation across social media platforms.
- Produced animated videos and motion graphics for marketing campaigns, advertisements, and promotional activities to improve audience engagement.
- Developed creative digital assets aligned with branding goals, marketing strategies, and current design trends.
- Delivered visually appealing content with strong attention to detail, quality, composition, and brand consistency.

FREELANCE GRAPHIC DESIGNER, PK

FREELANCING-ONLINE *Nov 2023 - Jan 2025*

- Delivered freelance graphic design services for different brands simultaneously, managing complete visual content requirements across multiple industries.
- Created high-quality graphics, social media creatives, and marketing visuals tailored to each brand’s identity, audience, and campaign goals.
- Developed consistent branding materials including posts, banners, advertisements, and promotional designs with precise sizing and platform-specific ratios.
- Built strong experience in handling multiple brand guidelines at once while maintaining originality, creativity, and visual consistency for each project.
- Designed marketing-focused visuals that improved online presence, engagement, and overall brand communication across digital platforms.
- Ensured fast turnaround delivery with high attention to detail, quality control, and professional design standards for all clients.
