RUTABA SHAKIR

UI/UX designer | Front end developer

+92 3007162150 rutaba.dev@gmail.com Bahawalpur Punjab, Pakistan

ABOUT ME

Passionate UI/UX Designer and Software Engineering student with experience designing user-centered interfaces, conducting user research, creating wireframes and prototypes, and building responsive web experiences. I enjoy solving real-world problems through thoughtful design and continuous learning, and I am seeking a UI/UX internship where I can contribute while growing into a product designer

EDUCATION

BS Software Engineering

Virtual University Of Pakistan | 2023 - 2027

CERTIFICATIONS
