AREEJ NOOR

DESIGN ARCHITECT

03154021798
areejnoor65@gmail.com

PROFILE

As an architect and visual storyteller, I design spatial experiences shaped by light, material, and form to create meaningful and emotionally engaging environments. With a foundation in fine arts, I combine conceptual thinking with practical execution, transforming ideas into well-resolved, buildable solutions through thoughtful collaboration and refinement. I aim to create impactful, context-driven spaces that connect people with experience.

ACADEMIC

2018- 2022 **BACHELORS IN ARCHITECTURE** | *National college of arts*

2016 DIPLOMA IN DRAWING | *National college of arts*

2015 - 2016 INTERMEDIATE IN FINE ARTS| *Lahore colleges for women University*

WORK EXPERIENCE

2025 (May-present)

ASSOCIATE ARCHITECT-INTERIOR

Blue Bricks-architects and consultants

Blue Bricks Architects & Consultants is a Lahore-based developers firm known for delivering large-scale architectural, interior, and urban projects across Pakistan and internationally.

- Developed architectural and interior layouts, design concepts, and technical documentation for large-scale projects, supporting all stages from concept development through execution.
- Created presentation materials including mood boards, material palettes, client boards, high-quality visualizations using Lumion and AI rendering tools, and company profile designs for branding and client communication.

Feb 2024- May 2025

ARCHITECT

Studio Arch Decon

Studio Arch is a Lahore based architectural studio.

- Managed retail and commercial projects from proposal to execution (e.g., Zarina, Kick Start, boutique spaces), developing conceptual drawings, visuals, and material integrations to deliver functional and aesthetic design solutions.
