Fajar Khurshid

(+92)3095954986 | fajarkhurshid0@gmail.com |Islamabad, Pakistan

English graduate and dedicated educator with experience in school and college-level teaching, academic writing, student assessment, and learning material development. Skilled in teaching English language and literature, supporting students' reading and writing development, preparing lesson materials and assessments, and providing constructive feedback. Strong communication, classroom management, research, and academic writing skills, with a student-focused approach to teaching and learning. Seeking a teaching position where strong subject knowledge and classroom experience can contribute to students' academic growth and development.

Experience

JANUARY 2026 – PRESENT

Educator | Islamabad Career Schools Network | Islamabad, Pakistan

- Deliver English language instruction focusing on reading, writing, speaking, and communication skills.
- Plan and prepare lesson materials, activities, assignments, and assessments aligned with student needs.
- Explain academic concepts clearly and encourage active classroom participation and engagement.
- Assess student work and provide constructive feedback to support academic improvement.
- Support development of grammar, vocabulary, comprehension, and critical thinking skills.
- Maintain records, monitor student progress, and provide individual academic support where needed.

SEPTEMBER 2025 – DECEMBER 2025

Lecturer| Model Science College | Muzaffarabad, Pakistan

- Prepared academic content, lecture notes, and course materials for undergraduate students.
- Guided students in academic writing, critical thinking, and research techniques.
- Designed assignments and assessments that encouraged analytical and written communication skills.
- Evaluated student work and provided constructive feedback to improve academic performance.

NOVEMBER 2024 – AUGUST 2025

Educator | Bab-ul-Ilm – The Merit School | Muzaffarabad, Pakistan

- Created engaging classroom activities and wrote learning materials.
- Assisted students in developing English language, reading, and writing skills.
- Prepared examination papers, assignments, and classroom assessments.
- Supported school activities while maintaining accurate academic documentation.
