Aaqib Ahmad Siddiqui

IT Graduate | Frontend & UI/UX Enthusiast

0319-6253264
aaqibahmad2003@gmail.com
Multan, Punjab, Pakistan

PROFESSIONAL SUMMARY

Motivated and detail-oriented IT graduate with a strong foundation in frontend development and UI/UX design. Proficient in Python, HTML, CSS, and Figma, with a passion for building intuitive digital experiences. Demonstrates strong communication and problem-solving skills, and thrives in collaborative environments. Eager to contribute fresh ideas and technical skills to a forward-thinking organization.

EDUCATION

Bachelor of Science in Information Technology (BS IT) — **2024 – 2026**
Emerson University Multan

Associate Degree Program in Computer Science (ADP CS) — **2022 – 2024**
NCBA&E

TECHNICAL SKILLS

Languages & Markup

Python	HTML5	CSS3	Figma

Core Competencies

UI/UX Design	Prototyping	Responsive Design	Problem Solving

SOFT SKILLS

Communication • Teamwork • Time Management • Creativity • Adaptability • Critical Thinking

WHAT I BRING TO THE TABLE

- Ability to translate design concepts from Figma into functional, responsive web interfaces.
- Strong foundation in Python for scripting, automation, and backend logic.
- Creative problem-solver who approaches challenges with a structured, analytical mindset.
- Excellent communicator who works effectively in both individual and team-based environments.
- Quick learner with genuine passion for staying up-to-date with emerging technologies.
- Dual-degree background demonstrates academic commitment and a broad technical foundation.

ACADEMIC HIGHLIGHTS

- Completed ADP in Computer Science — built a strong theoretical base in programming, data structures, and networking.
- Completed BS IT with focus on practical application of software development and systems design.
- Developed hands-on proficiency in Figma for UI/UX prototyping and wireframing during coursework.
- Applied HTML & CSS skills to build structured, visually appealing web layouts as part of academic projects.

Open to internships, entry-level roles, and collaborative opportunities in IT & Software Development
