EDUCATION

Institute of Business administration – BS Economics *2024 – 2028*
Cedar College - A Level *2021 – 2023*
Beacon House School System - O Levels *2018 – 2021*

PROFESSIONAL EXPERIENCE

Creative Intern – Nibl Foods *March 2026 – May 2026*

- Co-led a campaign that drove PKR 2.5 million in revenue within 30 days, through integrated influencer collaborations, content planning, and targeted brand positioning.
- Conducted competitor analysis and market research to inform brand strategy, identifying positioning gaps that improved campaign efficiency and audience targeting.
- Evaluated influencer partnerships against cost-per-reach and engagement metrics, optimising budget allocation to maximise revenue-linked outcomes.
- Prepared performance reports linking campaign spend to sales impact, supporting data-driven budget decisions.

Marketing and Creativity Intern – Maison Sonraj *August 2025 – September 2025*

- Gained exposure to luxury goods pricing strategy and consumer spending behaviour within the premium fragrance segment.
- Attended a strategic growth session with the CEO, focusing on revenue expansion, margin management, and brand equity valuation.
- Analysed customer acquisition economics during a mall activation, observing conversion rates and spend-per-customer trends.

Green Crescent Trust – Intern *January 2026 – February 2026*

- Motivated and guided students to set academic goals and aspire toward higher education, including admission to reputable universities.
- Worked closely with supervisors and counsellors to engage children effectively and contribute to the Trust's developmental programs.
- Supported students in identifying their strengths and areas for improvement to enhance academic performance.

Community Welfare Society – Director *November 2025 – Current*

- Conducted corporate and individual outreach through cold calling to secure donors, volunteers, and medical support.
- Assisted in planning event logistics, including volunteer coordination and on-ground execution of health camps.
- Engaged with stakeholders and participants to ensure smooth operations and successful community turnout.

EXTRA-CURRICULARS

Entrepreneurship experience:

Launched a real estate marketing agency (June 2023 – September 2023)

- Offered real estate agencies with graphic designing services, marketing services and videos for their properties
- Developed core entrepreneurial skills including initiative, analytical reasoning, adaptability, and disciplined decision-making.
- Designed brochures and marketing materials aligned with client branding and campaign goals.

Forex & Gold Trading (Technical Analysis):

- Conducted technical analysis on Forex and Gold markets using charts, indicators, and trend patterns.
- Studied market trends, support and resistance levels, and momentum to identify high-probability trade setups.
- Applied risk management principles such as position sizing, risk-reward ratios, and capital preservation.
- Strengthened understanding of financial markets, volatility, and trading psychology.
