PROFILE

Motivated and creative aspiring graphic designer currently developing practical skills in Canva and visual content creation. I recently developed a strong interest in graphic design and want to turn this interest into practical professional skills. I am seeking a paid remote internship where I can learn from a professional team, work on real projects, and grow toward a career in online creative work.

EDUCATION

BS Education (Hons)
Benazir Bhutto Shaheed University Lyari
8th Semester | Expected Completion: 2026

RELEVANT SKILLS

Canva & Graphic Design
Currently learning and practicing graphic design through Canva, with a focus on clean layouts, visual presentation, typography, and creative social-media-oriented content.

Content & Video Creation
Basic experience with CapCut for short-form video editing and creative content.

Microsoft Office
Comfortable with common Microsoft Office tools and digital documentation.

CAREER OBJECTIVE

To gain hands-on experience in graphic design through a professional remote internship, strengthen my creative and technical skills, and build a strong foundation for future online work.

STRENGTHS

Quick learner • Creative mindset • Willingness to learn • Detail-oriented • Responsible • Adaptable • Consistent in skill development
