MISHAAL SABZWARI

Karachi, Pakistan | 0334 8583899 | sabzwari.mishaal@gmail.com | linkedin.com/in/mishaalsabzwari27

SUMMARY

Business student with hands-on experience across HR operations, market research, and brand strategy. Led field research with 50+ interview subjects to build go-to-market strategies for brand campaigns. Comfortable moving between data analysis (Excel, Tableau) and creative execution (positioning and visual identity).

EDUCATION

BS in Management & Entrepreneurship — Karachi School of Business and Leadership (KSBL)
2023 – Present | 6th Semester | CGPA: Above 3.0

WORK EXPERIENCE

HR Intern — Aga Khan University Hospital (AKUH) *Jul 2025 – Sep 2025*

- Cut candidate screening time across a 50+ applicant pipeline per cycle by managing end-to-end sourcing, outreach, and shortlisting through Taleo ATS.
- Maintained accurate outreach and reference-check records for every hiring cycle by drafting, tracking, and following up on candidate communications.
- Improved candidate experience and reduced scheduling delays by coordinating end-to-end interview logistics and test invitations across cross-functional stakeholders.
- Strengthened onboarding accuracy for 100% of new hires by improving documentation accuracy.

Research & Content Intern — Aga Khan University Hospital (AKUH) *Jul 2024 – Sep 2024*

- Designed and validated data collection questionnaires for an academic study, tested across diverse demographics for clarity and response accuracy
- Transcribed and coded qualitative interview data, producing a clean, analysis-ready dataset used in institutional publication
- Analyzed structured research data and translated findings into actionable summaries for academic reporting

MAJOR ACADEMIC PROJECTS

ReeVolt — Field Research & Go-to-Market Strategy

- Conducted 50+ field interviews with delivery riders across Karachi to identify unmet needs and validate a business opportunity
- Built go-to-market strategy for Reev Bicycles: positioning, target segment, and campaign concept
- Developed full marketing campaign — messaging, channels, creative direction — grounded in primary research

Student Biryani — Brand Revamp & Market Repositioning

- Diagnosed brand decline through analysis of shifting preferences, outdated branding, and competitive pressure
- Led full rebrand: concept, visual identity, messaging, and customer experience
- Proposed repositioning strategy with refreshed product framing

Toy Station — E-commerce Build & Brand Revamp

- Built a complete e-commerce site (via Lovable) including full UI and customer journey design
- Revamped brand identity — color palette, visual styling and positioning to improve digital appeal
