PROFESSIONAL SUMMARY

Motivated and results-driven Computer Science graduate with strong expertise in **Shopify store designing**, digital campaign management, content creation, and IT operations. Proven track record in developing high-converting e-commerce layouts, executing strategic digital marketing projects, and leading educational initiatives. Seeking to leverage technical proficiency, creative marketing skills, and strong communication in a dynamic sales and digital operations role.

EXPERIENCE & KEY PROJECTS

E-Commerce & Shopify Store Specialist | Shopify & Daraz
Designed, customized, and optimized online stores on Shopify and Daraz. Created user-friendly front-end layouts, structured product catalogs, and implemented responsive design strategies to drive sales and enhance user experience.

Digital Campaign Creator | Zameen.com & MyWellnessMinutes.com
Planned and executed engaging digital campaigns. Focused on audience targeting, brand awareness, content outreach, and performance optimization for major web portals.

Computer Operator | Pharma Traders, Bahawalnagar
Managed database records, processed inventory transactions, generated operational reports, and ensured seamless digital record-keeping over a 6-month period.

Educator / Teacher | HI.AIM Education System
Delivered computer science curriculum and mentored students for 2 years. Built strong public speaking, classroom leadership, and effective communication skills.

Content Writer & Graphic Designer | VinylWraper.com & LWE
Authored SEO-friendly web content for VinylWraper.com and developed promotional visual banners/graphics during a 3-month role at LWE.

ACHIEVEMENTS

- **Academic Excellence:** Maintained high academic standing throughout M.CS at Islamia University, Bahawalpur.
- **Award Winner:** Won top prize for innovative Sustainable Social Media Projects.
