ABOUT ME

Social media professional with one year of hands-on experience managing online presence, creating content and advertisements, and handling day-to-day account. Brings practical experience in visual communication, audience-facing content, and independent digital work, supported by formal graphic design training.

EXPERIENCE

Social Media Management 2024-2025

OPF Girls College

Ran the OPFGCI instagram page for 1 year as the Vice President of Media Society. Developed comedic content along with attention grabbing adverts to promote the college's online appearance and repute. Managed to gain millions of views and thousands of followers. Handled all affairs related to the account, including making the content, answering queries and making announcements.

Freelance Work

Created designs as per client requests, mostly for school banners.
