EXPERIENCE

Volunteer Graphic Designer — Youth Empowerment Club (YEC)
University | 1 Year

Worked as a volunteer Graphic Designer with YEC, creating visual content for university events and activities. Designed **posters, standees, social media graphics, and promotional materials** according to the theme and requirements of different events. This experience helped me develop my ability to work with real project requirements and create designs that are both creative and professional.

Graphic Design Work — Aura Sky Real Estate

Worked with **Aura Sky Real Estate** on graphic design and promotional content. Created social media designs, including a Facebook post for showcasing one of their buildings. This experience gave me an opportunity to understand client requirements and create visually appealing designs suited to a real-estate brand.

PERSONAL CREATIVE PROJECTS

I also create personal graphic design projects to explore new ideas and improve my creativity. I design **social media posts, posters, promotional graphics, and brand visuals** for different concepts and brands, allowing me to experiment with different styles and continuously develop my design skills.
