Executive Profile

I am a **Creative Graphic Designer** with over **4+ years of hands-on experience** in visual content creation, brand storytelling, and E-Commerce product design. I specialize in crafting compelling graphics for **social media ads design, Shopify stores content, Amazon listings images, and brand collateral**. With a strong command of **Adobe Photoshop, Illustrator, InDesign, Canva, 3d designing and Figma**, I transform concepts into high-impact visuals that boost engagement and elevate brand identity.

Passionate about visual storytelling, trend-aware design, and delivering results-driven content, I consistently produce work that resonates with target audiences and strengthens brand presence across digital platforms.

Designed branding content for multiple clients across digital and print media.
