WORK EXPERIENCE

Marketing Associate, VASL Inc **Sep 2025 - July 2026**

- Audited and optimized 100+ blogs by implementing SEO. Restructuring content architecture, implementing On-page & Off-Page SEO & Gen AI/AEO strategy along with relevant visuals, raising SEO from a ceiling of 86 to 100.
- Buiding content and marketing strategy from the ground up, including SEO, Generative AI and AEO-optimized blog frameworks, a structured content calendar and social media assets for both Pakistan and US markets.
- Generating cold leads for the sales pipeline and independently managing marketing operations i.e., content creation, visual design, LinkedIn community management and sales support.

Creative Designer, Insgrowan **April 2026 - May 2026**

- Designed carousels and static posts for LinkedIn and Instagram, applying strong typographic hierarchy and visual consistency across formats
- Developed a complete brand identity book including logo design, color palette, typography system, and mockups
- Practised working within design systems and information hierarchy principles, strengthening the ability to make intentional visual decisions at every stage of the process

Executive Assistant to COO, VASL Inc **June 2025 - Aug 2025**

- Assisted in streamlining internal processes and documentation.
- Supported recruitment coordination and operational tasks.
- Improved social media and web design assets.
- Gained exposure to executive-level decision-making and team coordination.

Talent Acquisition Executive, VASL Inc **Oct 2022- July 2023**

- Managed end-to-end recruitment including sourcing, screening, and onboarding. Maintained hiring trackers and HR documentation.
- Supported early-stage marketing initiatives and sales prospective lists. Collaborated cross-functionally with HR and sales teams.

Talent Acquisition Intern, VASL Inc **Aug 2022 - Oct 2022**

- Assisted in candidate sourcing and screening.
- Scheduled interviews and maintained recruitment records.
- Learned structured hiring processes in a startup environment.
