PROFILE

To pursue a challenging career with dedication and maximize my efficiency in a professional organization wherever I serve the duties that will discover my potential. To obtain a position as an **Intern Graphic Designer** with 2 years of experience where I can utilize my skills, as well as my attention to detail, and creativity to produce visually captivating designs for various projects. I am highly motivated to learn and grow in graphic design, seeking opportunities to gain hands-on experience and collaborate with the team to develop my skills further.
